Hi Rachael

Public Rights of Way does not object to the use of Public Footpath No. 57 to access the glamping facility. However, my comment in my original response i.e. 'Consideration should be given to the safety of members of the public using the paths at all times' still stands. Suitable signage to draw attention to the status of Bank Hall Drive as a public footpath, would therefore be recommended, as many of the users of the facility will not have that local knowledge.

I hope that this provides additional clarity.
