Submission: Objection

Comments: This site is an eyesore and a blight on our property and Furness Vale and does need improving .Our objections are that this is an over development. It is not in keeping with the other properties it is adjacent to . The roof line is raised above the other houses next to it and will affect our privacy with the upper floor windows especially overlooking us. I note the single story lean-to is to be raised to the same height again further impinging on our privacy . The proposed parking is also a problem as some will have to access this over where there should be a pavement , also access using Coachmans Lane to park is also problematic due to poor access from the A6 and condition of Lane.

Also concerned that our boundary walls being disturbed during this work and our access to our house via Coachmans Lane . What is to be done about the underground storage tanks?.
