Submission: Objection

Comments: The document 'Consultation Response SCC Environment', date 8/1/24 relates to a property 'off Cheadle Road', and has no relevance to the property on Halsteads. The application should be rejected as the correct documents have not been submitted. In addition to this I object on grounds of safety regarding vehicle access to the very busy A6. Greater consideration needs to be given to the road layout for safety of both pedestrians and road users. It creates another conflict point on the A6
