Comments: It is wrong that children are being penalised for a few badly behaved people! My granddaughter uses this area often. If you remove this area and grass it, she will have no where to play! I understand that there have been complaints that the area is used by people for the wrong kinds of activity, but this should be resolved in a more appropriate way! I also understand that the Parish Council are facing large costs due to a court case, but it is unfair to penalise the children and it won't solve the issue, they will find somewhere else to go. Please save this area as there are so few play areas for the children of Chapel!
