Submission: Objection

Comments: The removal of these facilities will be a devastating loss to the local families and children of Chapel-en-le-frith. These facilities are used and enjoyed daily by the children of the local area, and removing them will only further encourage anti-social behaviour, not improve it. The local park is such an important part of our community and provides a safe place for children to play. Without this, local residents will be forced to drive out of the area for such facilities, which goes against all of the local authorities initiatives for eco-friendly developments.
