Submission: Objection

Comments: I object to the application for the removal of the multi sports area at Chapel park. I think removing this area would be detrimental to the children of Chapel en le Frith as they already have very little to do. The play park is more for the younger children & is a wonderful area but the multi sports area is for everyone. I always think it;s so nice to see children (& particularly boys) playing outside in all weather rather than sitting indoors on games consoles. It;s somewhere for children to meet & play in a safe space & I think the removal of this or conversion to a grassed area would take away something that the children so desperately need.

I think there needs to be more in our area for children to promote outdoor activities, physical activity & team work.
