Comments: Absolutely disgraceful that the council is planning to remove the MUGA from the park. This is the only exercise that most children get, a lot of children don't get the chance to go anywhere else to play. Kids are living in poverty, parents are working extra hours in a cost of living g crisis

What use is a garden to them? Or more grass that is waterlogged 90% of the year. Disgusting that it has got to this point because of some complaints from people who CHOSE to live next to a park.
