Comments: Chapel en le frith is a town which has two schools in it- each with over 100 children

In addition to this we are surrounded by schools.

We are a town which shamefully provides very little for our children to do- gone are the days where we had youth clubs etc to fill our time.

The memorial park is somewhere for our children to go- for you to consider removing equipment which is used daily is ludicrous- especially as the area being considered to be removed is used by children of all ages and all abilities.

I strongly object to this proposal and suggest asking to hear our children's voices too- visit the park! See how busy this is! See how much joy is taken from this! Please please don't take that away. The people suggesting this should be ashamed of themselves

The home owners making the complaint should consider moving.
