Submission: Objection

Comments: I feel this is an underhand and disgusting reactive tactic to tackling financial issues. If this is even considered the MUGA needs to be built elsewhere first with current funds and the other one taken down when those funds are raised. This is absolutely not an option when the MUGA has constant use by all age groups. This keeps older children out of the park area. There is very limited area in Chapel for children to play football or basketball. An absolutely furious resident!
