Submission: Neither

Comments: This is expensive equipment that brings joy to anyone who uses it

Who would be paying for the removal and the grass or garden to be put in its place

There is enough community gardens in Chapel as well as plenty other garden type areas in the park

I grew up in Chapel and still have family there

There is nothing for kids to do in Chapel nowadays and kids need to play and exercise

The parish Council need to think about the future generations the park has been there for kids and everyone for so long and now this has been submitted the decision to remove 1 of the last few things thats there for kids and everyone to play and exercise
