Comments: Hi. I am a volunteer for Buxton Juniors FC and we use the adjacent field, Haslin Playing Fields. From what I was lead to believe, the planning was for a community centre for the local community. This would be a far better than ANOTHER 15 houses going up in an area which has already quadrupled in house numbers over the last few years. Instead of houses the land would be far better being used to supply a community centre for the area including toilets, possibly the option for us having some changing rooms/parking on site. They could even look at putting a phone mast as the whole area has xero phone signal unless Hillhead Quarry is hosting an event
