Submission: Objection

Comments: Ridiculous that you are proposing to remove yet another public facility, especially one which is well used by local children when there is barely anything for them to do as it is. No public play area was created at the new estate on Octavia Gardens because money was supposed to be invested in the Memorial Park instead, I'm unclear as to where that money has been spent, but removing the sports area hardly seems to be an investment. I understand that my council tax will be spent on the council's legal fees in defending this lawsuit, I therefore expect that my views are taken into account on this matter.
