Comments: I was born in Chapel and I have lived here my entire life and wouldn't want to live anywhere else, the Park has always been the place where we played as children, then my Children and now my Grandchildren, to have these facilities taken away as stated in the plans would be a great loss, it's a park and there is always going to be noise, when you buy a house near the park you should expect to hear noise whether it be from music, children, teenagers playing, that's what it's all about them being outside in the fresh air socialising instead of on a device in a bedroom, when we were the same age we spent every night in the park until the park keeper came and locked the gates, there is nowhere for kids to go to, these plans need to be reconsidered as my grandchildren enjoy using the facilities and would be a very big loss to Chapel and also people who come visit the town that is known as The Capital of the Peak
