Comments: This application should be refused outright.

This was put in place as an area for our young children to come together to enjoy a multitude of different sports in a safe environment.

We were all children at one time in our lives, it would be good if all remembered this and remember that we were perhaps noisy at some point.

We should be providing more areas to enjoy NOT removing them.

I do not understand why someone would buy a property close to a play area if they do not like the noise of children playing.

Don't get me wrong i do NOT in anyway condone bad behaviour and expect children to be respectful.

Please refuse the application for this area to be removed.
