Submission: Objection

Comments: Absolutely the most stupid planning iv ever seen, With having three young children and living in Chapel I completely OBJECT to you removing the area for the children! And to anyone that complains about the noise from a PARK dont bloody buy a house near a park and think they have any right what so ever to complain about it! Your going to make matters with crime drugs damage and theft a hell of a lot worse by doing this because the children dont have much here anyway! How about put planning in to upgrade the park rather than piss it up the wall all the time and actually do some good instead!!
