Submission: Objection

Comments: It's disgraceful that a few people can try and take away such facilities from our young children who hardly have anything as it is. There may be disruptive older children that attend the park but this should be dealt with via the police with anti social behaviour orders. The park is the heart of chapel and the youngsters and personally why buy a house near a park where children play and people attend for picnics walking their dogs etc if they was worried about the noise . I hope this gets objected. Even if it got grasses over the children will still play their games and attend . Would make absolutely no difference apart from neglect the future of the younger residents of chapel en le frith
