Submission: Objection

Comments: My children and my nieces and nephews use the MUGA, it is a place for them to meet with their friends and socialise. The fact that they are being penalised due to several people objections of noise from a PARK is ludicrous. If the MUGA is removed it will be detrimental to the children and teenagers, it will affect their mental health as there will be no where for them to let off energy which in turn will affect their mental health.
