Submission: Objection

Comments: Absolutely ridiculous idea to get rid of the play area. It provides so much joy for kids of all ages. I can't believe you would even consider doing this. Where would all the kids play, on the streets. Do you want kids playing football on the roads with the way some people drive around here as that would be you for getting rid of the football pitch they play on. What you should be doing is looking at ways to improve the park. Maybe build a new pitch in the middle.
