Submission: Objection

Comments: This is outrageous, you are depriving the children in the area the right to exercise, meaningful play and socialisation- due to a few cantankerous individuals. There are hundreds, if not thousands of families and children, of all ages that use that play area. I would ask that you seriously consider your actions and use your conscience. There must be an alternative. Securing the park at night for one. For two, security measures; cameras, security guards, neighbourhood action. As a resident I would be happy to pay my part for extra security. You cannot be so lacking of imagination that you cannot find another option. I for one, will be organising and campaigning everyday should you do this, I will not be alone. See you at the local council meeting on the 7th of March.
