Submission: Objection

Comments: This is so wrong a few want to spoil for many. We leave nothing for the children to do , then we complain they misbehaving. Come on the park is place for them to let of steam. I'm sorry i see this all over people complaining because they don't want noise near there houses.sorry the park has been there for many years and is a social place and should remain with all its amenities in place.

Let the children play in a safe area and give them the facilities to do so.
