Submission: Objection

Comments: The multi use game area at the park is a valuable area for families to play together and for young people to exercise and enjoy playing outdoors with their friends. Where will these children and families be able to go and play ball games if this is taken down? Are they going to make the astro turf at the leisure centre available free for local people to use? I doubt it very much! People are constantly moaning about young people and there behaviour but no one puts things in place for them to do, places for them to go. Do not buy a house next to a public park if you don't want to hear people enjoying the outdoor facilities there. Such a shame this is happening in our lovely town.
