Comments: The park facilities are vital to the community. We have moved from Stockport 2 months ago to the area, this park being one of the draws. We go at least weekly and always see the facilities are well used.

I understand there is an ongoing noise nuisance complaint but do not believe the proposal would address the issue at hand. I have also seen no evidence of actual damage or vandalism that would cause concern. Residents choosing to gather are doing so to socialise and needs to be addressed differently as I am sure they would continue to congregate in the area regardless.
