Submission: Objection
Comments: Dear Sirs/ Madam,

I object to the Planning application above as:

- 1: I have personally seen the flood caused adjacent to to the proposal site and the problems this can cause
- 2: Depletion of our natural environment
- 3: There does not seem to be consideration for the increased traffic in the area. only two houses at this point but there are only two roads into the area and one road out which goes directly past my home and with local traffic and deliveries etc. there seems to be increasing amounts of traffic daily!

Regards

Heath Evdemon
