Subject: RE: HPK/2024/0005 - Consultation follow up/extra information received

Thank you for providing the applicant's further, and clearer information regarding the positioning and surfacing of the proposed driveway.

This goes some way to address my concerns.

I am satisfied I can withdraw my previous objection, subject to the agreement of a suitable Arboricultural Method Statement that gives details of what work is required to the trees (such as branch pruning) or within RPAs; and a Tree Protection Plan that will ensure the protection of RPAs, stems and crowns of the trees during the construction phase.

Kind regards
