Submission: Support

Comments: As the owner of the attached property - 128 Buxton Road, I fully support any application which seeks to demolish George House which is an eyesore. I understand concerns regarding the size of the proposed dwellings and if these can be overcome, I am of the opinion that anything would be better than empty premises which not only have a negative impact on the street scene of Furness Vale but also detrimental to the fabric of the adjacent property. I would welcome its demolition but would request that any approval has conditions protecting the structural integrity of the attached building which is over 200 years old.
