Submission: Objection

Comments: Hello

I am a resident of Chinley, who used to live on forge road (number 5) so have seen the development from the early stages. I frequent forge road (10/20 times per week) and therefore feel it relevant for me to object to this application. First of all I already feel there are enough houses crammed onto the development with minimal green space. Secondly as you leave the terraced houses on Forge Road and approach the entrance to Forge Manor I have nearly crashed my car on multiple occasions due to poor visibility. Building a house there will significantly reduce the visibility and I believe make the road unsafe for pedestrians and cars. Lastly, there are three beautiful trees on this space which have been there for 100+ years and add to the beauty of our wonderful village. These would have to make way if another house is built there!

Regards

Alexander Bennett
