Subject: HPK/2024/0041 Land at Blackshaw Clough Glossop. Application for Outline Planning Permission with all matters reserved for Residential development of up to 2no. dwellings - archaeology
Date: 27 February 2024 11:49:59

Dear Rosie,

Thank you for consulting on the above planning application.

Although the site is in fairly close proximity to the medieval core of Old Glossop we have noted in responding to the previous application for 6 houses on this site that it has been impacted by activity associated with the neighbouring development – apparently having been stripped and then had spoil arisings spread across it.

I therefore conclude that – in line with previous advice – the current site has little or no archaeological potential.

Regards
