YOUR COMMENTS ON THE CASE

I object to the extension of hours due to issues with noise from the gym from early in the morning and issues with parking on the road. Gym goers don't park in the car park or can't park in the car park and therefore park outside our homes meaning that we have to park far away from the home, this is particularly difficult with young children. The noise from the gym from the PA system and beeping can be heard from as early 5:45am waking my young child and impacting on our sleep as a family. The owner once told my husband we should t live opposite an industrial estate however the house ther businesses don't open until 9am and don't use a PA system in the early hours. The extension of business hours will only extend these problems further and impact on our rights to a private family life.
