Condition number(s)

Condition32 Source Protection Zone - No development hereby approved shall be commenced (excepting demolition and site clearance) until a remediation strategy to deal with the risks associated with contamination of the site in respect of the approved development has been submitted to and approved in writing by the Local Planning Authority. This strategy will include the following components:

a) A preliminary risk assessment which has identified:

all previous uses

potential contaminants associated with those uses

a conceptual model of the site indicating sources, pathways and receptors potentially unacceptable risks arising from contamination at the site

b) A site investigation scheme, based on (a) to provide information for a detailed assessment of the risk to all receptors that may be affected, including those off-site.

c) The results of the site investigation and the detailed risk assessment referred to in (b) and, based on these, an options appraisal and remediation strategy giving full details of the remediation measures required and how they are to be undertaken.

d) A verification plan providing details of the data that will be collected in order to demonstrate that the works set out in the remediation strategy in (c) are complete and identifying any requirements for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action.

All works shall be carried out in accordance with the approved details
