

ALFREDSON YORK ASSOCIATES

Date: 23rd January 2023

Dear Claire,

I have been asked to respond to consultation comments received from Dinting School following a report produced by Alfredson York Associated Ltd in September 2022 in relation to Wainhomes' site at Dinting Vale, Glossop.

Our research found that, according to data published on the Gov.uk website:

- Dinting School has capacity, according to data provided to the Government, for 182 Pupils
- At the time of the January 2022 census, Dinting School had 136 pupils in roll

According to Derbyshire County Council, in data provided under the Freedom of Information act, their forecast numbers for the school are as follows:

School	21/22	22/23	23/24	24/25	25/26	26/27
Dinting CE Voluntary Aided Primary School	136	138	139	143	140	140

It should be noted that the Derbyshire County Council data provided to Alfredson York in September 2022 ties in with the DfE data for school year 21/22.

Yours sincerely,

Ellenor Barefield
