Good afternoon Steven,

Our clients Ecology consultant has advised that the table numbers in the Appendix of the recently submitted BNG Assessment report was incorrect.

Please therefore see a revised BNG Assessment and updated Annex 1 attached. I can confirm that the only error was purely the table numbers in the appendix.

Please also note that I have set up a meeting with the Council's Highways Officer tomorrow 2-3pm and I believe the LLFA are attending to. If you are available please could you also attend?

Kind Regards

Nick
