Hi Chris

Please find attached WSI and our Annex 1 document.

Please note we are discussing the timings in Section 6 with the archaeologist given the urgency of committee timings and these are subject to change, but I thought it best to get this to you and Steve Baker now (cc'd in for ease).

Chat tomorrow.

Kind regards

Hi Niall,

Any update on the WSI? It would be useful to have it in order to inform a meaningful discussion at 3.30 tomorrow, having, ideally, been reviewed by Steve Baker in advance.

Thanks.

Kind regards,

Chris

Hi Niall,

Good to hear from you. Hope you had a good break.

I was in touch with BK yesterday and fully expect to have their response later today (Guy is currently on holiday, so I can't be exactly sure of the timing).

Subject to final confirmation from HPBC Democratic Services, we are targeting Thursday 28th September. The report, therefore, needs to be largely completed this week.

Assuming we get the viability and archaeology WSI today, it would be worth having a Teams review tomorrow. How is everyone set for 3.30?

Kind regards,

Chris

Hi Chris

I hope you're well; I've just returned from leave and am catching up. Have you heard anything from Bruton Knowles? I understand they were to provide an updated report yesterday. If not, could you give a chase, please?

I should have a WSI with you today following discussions between the archaeologists last week.

Steven, thanks for passing the LLFA's latest comments – good to see they are not objecting.

Kind regards
