Submission: Objection

Comments: There has been an unsightly proliferation of plastic and vinyl advertisements all around Buxton, on railings by the Gardens and Palace Road, amongst others, and walls on Cavendish Circus and London Road, amongst others. It is not clear whether these tacky signs have planning permission. We object to this application because it will add yet more garish signs to an already unattractive shopping street. This seems to go against plans to make Buxton shopping and tourist attractions. The Council should, instead, be taking steps to reduce this sort of signage, not give the green light to more.
