YOUR COMMENTS ON THE CASE

I live close to the proposed development and feel this will ruin a local beauty spot which is used by many local residents for dog walking. This is also home to a lot of wildlife such as deers and owls. The infrastructure is not in place to support this and the access roads will create traffic issues. Glossop is known for it's green spaces which appear to be rapidly being bought and decimated to make way for houses with no consideration for the wildlife or local residents.
