YOUR COMMENTS ON THE CASE

This just isn't going to work, the road that is being proposed isn't going to be safe, it's too close to the local primary school and is going to wreck havoc during school pick up and drop off times. And getting rid of the bus stop opposite the school isn't going to work. That bus stop is essential for people who work at the primary school and for parents who don't drive. The traffic is already bad enough as it is without adding more roads that link onto the A57.
