YOUR COMMENTS ON THE CASE

I'm a local resident and I fail to understand why this proposal has gone to appeal when there is massive opposition against these plans..If any of these local or not so local planners know this area they'll immediately understand the problem we have around here..ie Traffic pollution. Roads inadequate. Accessibility. This Town is becoming a no go area..ie To many houses with no adequate planning.!!!

The FP50 Which I complained about becoming a rat run if this appeal get passed will the council promise a bylaw and erect a barrier across it to stop the estates rat runners...SAFETY FIRST.!
