Subject: Whaley Bridge Town Council comments on HPK/2023/0378
Date: 12 April 2024 12:03:47

Dear Sir/Madam,

Whaley Bridge Town Council (WBTC) have some comments about the application HPK/2023/0378.

WBTC note the decision report and notice for HPK/2023/0378 and regrets the clear expansion and intensification of the site since 2021. The report does not discuss the various buildings, structures and play equipment some distance to the east of the area outlined in red in the report; they can be seen at the lower right corner of the second photograph on page 5 of the report. WBTC believes this collection of buildings is completely out of character of what ought to be and was a few years ago a green field. There does not appear to be any planning permission for these structures and if retrospective permission were sought WBTC would object in the strongest terms; we believe they should be completely removed and that area of the field returned to green pasture land.

The Council would appreciate your comments on this situation.

Kind regards,

Andrew Fox, CiLCA, FiLCA

Town Clerk
