Dear Sir / Madam

Planning Application HPK/2023/0360

I am writing to you as I have no Internet connection at present, therefore cannot fill in the online form.

I need to make further objections to the above Planning Application:

updates as follows:-

10/04/24 - disturbance from several dogs barking at once for at least 30 minutes in the middle of the day, when shut in the house, presumably unattended.

14/04/24 - very bad disturbance for approximately ~~two~~ 2 and a half hours from around 2pm - 4.30 PM.

Dogs shut in house with continuous multiple barking barking place, presumably left unattended. Totally unacceptable.

thank you

Yours faithfully

Gleen n Parsons (Mrs)
MRS EILEEN MARGARET PARSONS
