Submission: Objection

Comments: I strongly object to the proposed development.

My Property Register states access and vehicular right of way to the rear of my property from Hayfield Road. Access to my property being via double gates shown on Block Plan as Existing.

My access route has been replaced by two parking spaces and a garden and my gates have been removed and replaced with a wall on the Block Plan as Proposed. Therefore removing access and egress to and from my property.

This is totally unacceptable and the development should not be approved as proposed.
