Dear Mr. Caddy

26th October 2023

Thank you for inviting us to quote to remove an existing white upvc conservatory and replace with new, Anthracite Grey on White upvc frames and Victorian style glass roof with the following overall dimensions:

Width: 3680mm

Projection (from exterior wall to French doors on opposite face): not to exceed 4500mm

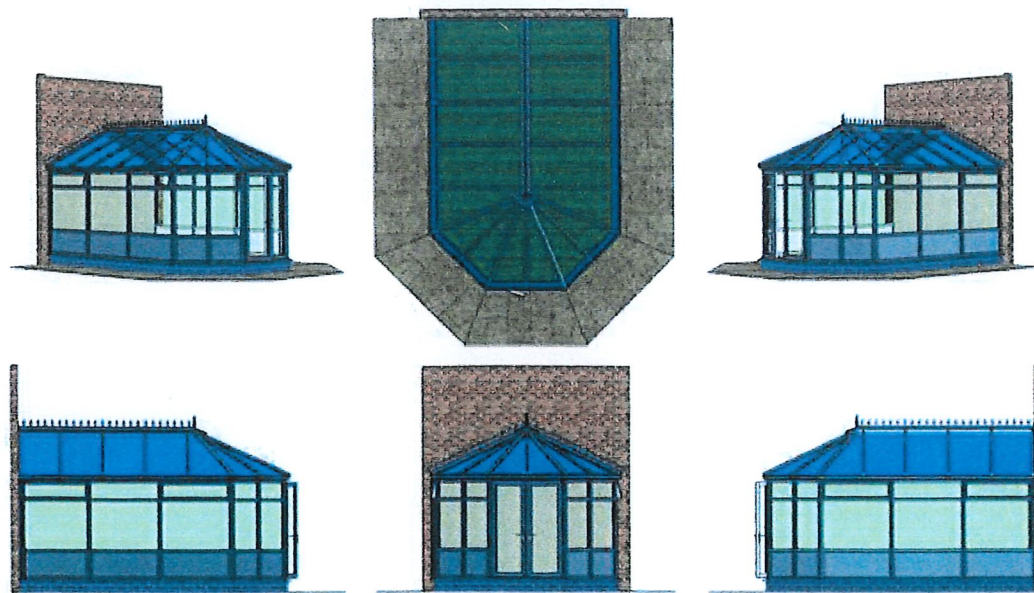

The side frames of the conservatory have lower flat panels on the exterior with clear, toughened glass above with four opening lights.

External French doors are situated opposite the house wall.

The Victorian style roof has Smartglass Blue glass.

Work to include the installation of insulated interior stud wall on both side frames and frames adjacent to the external doors.

Internal window board and skirting board to be installed and stud wall to be finished in plaster.

Please note: Drawing is for illustration purposes only.

Kind regards

Sue Madden, Clear View Windows (High Peak) Ltd.

PROPOSED COLOUR OF REPLACEMENT CONSERVATORY - ANTHRACITE GREY REF: RAL 7016
