Comments: As a member of Fitness in Mind which is the gym which uses the outside Astro turf space and indoor facilities I am extremely considerate of the local residents and park considerably every time I attend the gym. Classes do not run all day every day from 8am to 8pm and and not every class is held outside.

Having the use of the gym and outside space has been very welcome and provides me with an outlet to manage my mental health and wellbeing as well as my physical fitness. The gym members are all local as are the owners and all of us are respectful of our neighbours and surroundings. The outdoor space provides additional capacity for the gym during the summer months which allow for outdoor activities and allows members to benefit from being outside
