

12m, new trees to be planted to locations as indicated. Proposed trees to have a minimum height of 12m (measured one metre above ground level).

List of trees proposed to be planted:

- 3m, Silver Birch (*Betula Pendula*).
- 3m, Wild cherry (*Prunus Avium*).
- 3m, Ash (*Fraxinus Excelsior*).
- 3m, Bird Cherry (*Prunus Padus*).

Trees listed above are to be planted in random makes to ensure variety of planting throughout designated planting area.

Site Plan as Proposed
