Submission: Objection

Comments: The planning application for the above is out of character to the whole of Laneside road, and would also be very unsightly especially from the front view, and cause a lack of privacy. The road is a lovely place to reside I feel very strongly that making number 56 being a double Dormer would make it look unsightly and the only townhouse on the road, thus having an effect to myself and all fellow neighbours valuation on our homes. This may seem unreasonable but I think it should be a consideration that is taken seriously.
