Dear Mr Haywood

Application Ref: HPK/2024/0164
Proposal: Remedial works to two-storey Out-building.
Site: The Cheshire Cheese Hotel
37 High Street
Buxton

I refer to the consultation on the above-mentioned application and I have the following comments to make.

Based on the premises remaining as a store ancillary to the PH, it is considered that the proposed works to the premises will not have an unacceptable impact on the highway network and that the works can be carried out wholly within the site utilising existing parking facilities.

There are no highway authority objections to the application.

Yours sincerely

Adrian Martin
