Dear Mr Haywood

Application Ref: HPK/2024/0192
Proposal: Revised proposal for retention of electronic scoreboard for a permanent period, to display information on match days and at other times when football ground in use for other activities and to include other advertising.
Site: Football Ground,
Silverlands,
Buxton,
SK17 6QH

I refer to the consultation on the above-mentioned application and I have the following comments to make.

Considering that this application is a revision to a previous application (HPK/2023/0367) to which the highway authority raised no objection and with the proposed scoreboard being lower in height than proposed previously, there remains no highway authority objection to the application.

Yours sincerely

Adrian Martin
