Dear Mr Josh Hudson

**DOC/2023/0081 - Discharge of condition 39 of HPK/2022/0317 at Eastern Mill
Milltown, Glossop**

I can confirm that:

Condition 39 (40 on the Decision Notice): Dust Management Plan

Details submitted under the Demolition Works Risk Assessment and Method Statement, Environmental Risk Assessment – Incorporating Dust Management document, MS/RA ref C2329-02 are deemed acceptable. Condition is satisfied subject to compliance with these details.

I note that the Dust Management Plan is labelled as condition 40 on the decision notice of HPK/2022/0317, whereas it should be labelled as condition 39.

I trust that the above is of assistance. If you have any questions or require further information please contact hannah.varley@highpeak.gov.uk

Yours sincerely,

X *B.J. Haywood*
