Submission: Objection

Comments: This application was approved on only 4 clients at site at any time! This has been to committee twice and some members wanted 2 or 3 clients maximum, this rogue company who has obscured information in all 3 applications and 2 changes in wording to help there case, they should be happy with 4 clients at any time. 100s Residents and families close by do not want this here at all! as proven on the 100s of objections received. This firm full of false promises and poor rated reviews by their own management and staff only have their financial gain in mind. The application should be refused due to the unrest this is causing and they should buy somewhere else! 3 yes 3! Neighbours are selling their homes due to this lying and trustworthy application. Conditions of monitoring should be included as mentioned by other counsellors. We live directly next door and was told a large fence would be installed then after the last committee meeting their commissioning manager said we won't doing anything to help now! So another Lie so once again no care and consideration for neighbours or their clients. Refuse the application and be loyal to residents not chancers. Ben Haywood has been put in a uneasy position by this persistently unruly firms approach, the committee voted on 4! 8 would be disastrous for the town and residents and is not achievable as proven by many times. Keys active 8 buy another property somewhere suitable as you are unwelcome in our town.
