Submission: Objection

Comments: I strongly object to the asylum centre application in Buxton. This would be a complete disaster for Buxton. Buxton is a holiday town and having an asylum centre there would put people off coming to visit the town and area. This would affect the local economy greatly. I'm also concerned about the people coming through this proposed centre, we know nothing about these people or their backgrounds, I'd be concerned greatly about our young people especially being put at risk. A lot of crimes are being committed by these illegal immigrants. This alone would put me off visiting buxton.it would be a grave decision if this was to go ahead. Either in Buxton or anywhere in the high peak. I strongly object. I'm not happy at all.
