Application Reference No. : HPK/2024/0143 Site Address: Derbyshire County Council Works Department Ashbourne Lane Chapel-En-Le-Frith Derbyshire SK23 0PA High Peak Comments by: Matthew Harrison
From:

Submission: Objection

Comments: Ashbourne Lane already has traffic problems. It is only a narrow road, which is effectively made single track by the parked cars along the its length. School times in particular are problematic. The building of business premises on the proposed site, without adequate thought to the potential increased traffic on an already overused road cannot be in the interest of public safety, especially since there is a children's play area just down the road from the proposed site.
