Dear Sir

PLANNING APPLICATION NO HDK/2024/0184

I wish to register my views against this planning application.

I live next door to this small piece of land.

My main worries are how close to the last bend onto Carn Trade road this pocket of land is.

This road is classed as one of the most dangerous Roads in the country

When leaving the 30mph signs out of Buxton to the 50mph, vehicles & bikes are accelerating some to get passed heavy goods vehicles and others to beat the first camera.

Just like a race track!

To justify my views I would be pleased if you would come & have a brew with me in my front garden, and see for yourselves.

Also

Green Belt?

Just on the border of Peak Park.

Thanking you,

Yours Sincerely

Christine Slack (Mrs)
